Power Quality, Correction, Conversion and Protection:

Controlled Power Company	Electrical Power Solutions LOCAL STOCK AVAILABLE	www.controlledpwr.com
<i>Power Conditioners, Voltage Regulators, UPS Systems, Lighting Inverters, DC rectifiers Industrial - Commercial - Institutional - Medical Grade</i>		
Energy Control Systems		www.ecsintl.com
<i>Surge Suppression – contains layered defense to eliminate destructive effects of external & internal power transients 25-Year Product Warranty with the free SPD replacement. Low & Med Voltage</i>		
Marcus Transformers:	Copper Wound LOCAL STOCK AVAILABLE	www.marcustransformer.com
<i>Low voltage Distribution Transformers Nema 1 through 3R & Epoxy encapsulated Auto Transformers, Drive Isolation, Buck boost, K-Factor, Control & Line Reactors Ultra- efficient - Marcus Supreme MHE™ series meets DOE CSL-3 low loss standards</i>		
Intellimeter Canada Inc.	Innovative Metering Solutions	www.intellimeter.on.ca
<i>i-meter™ Energy Monitoring Series - Revenue accurate, real time energy information Modular - basic kilowatt-hour consumption to full power quality analysis Communication protocols - Wired, RF, MODBUS, BACnet</i>		
Power Survey International Inc.	The Capacitor People	www.powersurvey.com
<i>Power Factor Correction Capacitors & Harmonic Filters - Low & Medium voltage to 35 kV Fixed & switched banks, Tuned & De-Tuned Custom : enclosures, skid packs & switchgear</i>		
Virginia Transformer Corp.	The Engineering Firm That Makes Transformers	www.vatransformer.com
<i>Medium/ High Voltage Power Transformers- Liquid filled to 100MVA 230kV class Dry VPI to 15 MVA , TENV, Power Generation, Rectifier duty - Specialty transformers</i>		

Cable Tray & Strut Systems:

Atkore International:	T.J. Cope Family of Innovative Products	www.copecabletray.com
Cope Cable Tray: <i>Metallic & Non-Metallic tray systems Ladder, I-beam, ventilated, basket tray, channel & instrumentation tray</i>		
Eastern Wire & Conduit: <i>Protect-N-Duct – Innerduct & Fittings HDPE Solid Wall - High Density Polythyl ene resin, multi-purpose smooth solid wall continuous length conduit</i>		
Power-Strut: <i>Strut framing, hangers, fasteners clamps & pipe supports (Metal & non metallic)</i>		
Research Tool & Die	Marine Electrical Systems Hardware	www.rtd.com/index.phpmer.com
<i>Wireways, Stuffing Tubes, Electrical Boxes & Foundation, Light Supports, EMI Bonding Hardware, Pipe & Ventilation Supports, Cable Racks & Trays</i>		

Ventilation & Batteries:

AirPro Fan & Blower Company	Quality, Service, Integrity	airprofan.com
<i>Industrial Air Moving Technology, explosion proof, temperature to 1500F, flows to 300,000CFM</i>		
CCI Thermal Technology Inc.	A leader in advanced heating & filtering solutions	www.ccithermal.com
<i>Ruffneck Explosion Proof Exhaust Fan</i>		
Panasonic Canada Inc.		
<i>Batteries – Alkaline, Valve Regulated Lead Acid Batteries for various applications (1.3- 200AH)</i>		
<i>Ventilation Fans – Super Quiet, Energy Efficient; Long Life, Easy installation for retrofit or new construction</i>

Electric Heating & Industrial Filtering:

CCI Thermal Technology Inc. *A leader in advanced heating & filtering solutions* www.ccithermal.com

Engineered electric heating:

Caloritech *Comfort, freeze protection, Process
Space heaters, Immersion, Electric Boilers, Circulation, Controls*

Explosion Proof & Harsh environment heating

Ruffneck *explosion proof & wash down unit heaters and heat exchangers*
Norseman *explosion proof convection, control panel and unit heaters*
Cata-Dyne *infrared gas-catalytic heaters, Gas pre heaters*

Engineered Filtration Systems:

3L Filters **Liquid Filters:** *Oil, Gas & Water separators
Cartridge & bag filters, strainers, Pressure vessels*

DBK *Din mount PTC Enclosure heaters & Thermostat* **LOCAL STOCK AVAILABLE** www.canalec.ca
Cabinet cooling Fans

KOCH - Heat Transfer Canada LP www.kochheattransfer.com
*TEMA Shell & Tube Heat Exchangers, Twisted Tube Heat Exchangers, Double
Pipe Heat Exchangers, Hairpin Heat Exchangers, Tank, Suction and Line Exchangers*

RSCC - Heat Trace Products www.rsc-heattrace.com/ca
*Self-regulating; low, medium and high temperature heating cables with Freeze protection.
Commercial Heat Trace Cables, Roof & Gutter De-Icing Cables, De-Icing heaters*

Valad Electric Heating Corp. **A Valid Choice** www.valadelectric.com/index
*Designs and Manufactures Heavy-Duty Industrial / Commercial Electric Hot Plates, Space Heaters / Defrosters, Duct
Heaters and Galley Equipment. Serves the Commercial, Industrial, Military and Marine Markets*

Lighting: Fixtures - Lamps - Ballasts

Carmanah Lighting **We Put Solar to Work** www.carmanahlighting.com
EverGEN - Solar powered LED lighting - Outdoor pathway and area lighting solutions

Fulham Lighting www.fulham.com
*Electronic Fluorescent Ballast and Lamp; Induction Retrofit Kits and Fixture; LED Driver, LED Retrofit Kits; Lighting
Control Systems*

LeoTek **Light-On Group** www.leotek.com
LED Roadway lighting; Superior optics, durable materials, 100,000-hour rated components

Panasonic Canada Inc. www.panasonic.ca
CFL Lamps 15,000 hour, Totally enclosed fixture rated, Cold start -30° C

Phoenix Lighting **Durability by Design** **LOCAL STOCK AVAILABLE** www.phoenixproducts.com
*Industrial - Mining - Marine - Vibration Resistant - Rough service - Hazloc rated
Loading Bay Dock lighting LED, fluorescent & HID*

Venture Lighting Canada **Energy Saving Lighting Systems** **LOCAL STOCK AVAILABLE** www.venturelighting.com
*Pulse Start Metal Halide lamps and ballasts - Uni-Form pulse start system
Retrofit Integrated Optics, Wireless Control, Super Long Life
LED Light Fixtures, LED Retrofit Lamps; upgrade for HID lamps*
